Re: Proposed fee for Citizenship & Immigration
Services.

Message:

I am a U.S. citizen petitioning my daughter
for Immigrant Visa application. She had been
waiting since 1991 July priority date up to now.

On 2003, she have paid \$325 for Visa applicat-
fee including the husband and one child. Up to now
no visa available. Why?

As a retired U.S. citizen, I'll be on aging
process same thing with my daughter. Now, comes
the proposed increase fees? I would like to request
that the old fee is but reasonable for a family of 3 to
pay per head, since the waiting period is longer??
Hoping for a reasonable ruling regarding the fees?
Lots of Immigrants & U.S. citizenship is applying. Why
increase?? Thank you
