To whom it may concern;

Re DHS Docket No.USCLS-2006-004

I am writing in regards to the proposed fee increase for citizenship. I do not think the fee increase is good because it will be too much money, the current fee of \$330 is high, but since it is the low, I am willing to pay it.

My main question is why is the increase so big -80%?? That is a lot of money, for hardworking, legal people.

My biggest concern is the service I will receive. How will this fee improve service: faster processing, less hold-time on the Phone or be more accountable for your part of the process.

I hope to become a U.S. citizen in the next 3 years.
