

We are a group of senior refugees from Bosnia  
(60+ over)  
who are working toward becoming citizens.  
All of us have applied at least one time  
and did not pass because we are  
having a hard time learning English  
and learning & remembering the questions.

Some of us live on \$264/mo because we  
have not succeeded in becoming citizens <sup>and have</sup> lost our SSI

The rest of us will soon lose our SSI as  
well and be reduced to \$204/mo State Disability as well.

We meet 2-3 times a week to work on  
our English and learn the questions. We  
have been doing this for a year and a half,  
but are having a hard time remembering.

We cannot afford the increase you  
want to make in the citizenship fees  
and <sup>because</sup> we are losing hope of ever being able to become  
citizens. Please do not increase these fees!  
Sincerely, Please help us to be able to become citizens!
