Dear Director:

I'm one of many English as a Second Language students enrolled in classes offered through the Training and Education for Adult Learners Program administered through LLC.

I write to express grave concern over the steep increases in immigration application fees proposed by USCIS. You ~~are~~ proposes to raise the naturalization fee from \$330 to \$595 and the fingerprint fee from \$70 to \$80 resulting in an increase of \$215. In addition, the proposed hike in the fee to adjust status to permanent residents will be insurmountable for many askers. USCIS proposes to raise that fee from \$325 to \$405.

Every immigrant expects to pay a fee for a benefit, but these fees must be fair. I urge you as Director of the USCIS Regulatory Management Division to make my concerns known.

Sincerely,
Joe Big
