

I have been in the USA for six years.
I want to be a US citizen because,
I Love America.

America is Land of freedom

I have religious freedom in America.

I can have a better life here for my
family, also I want to vote

If the citizenship fees increase, then
it will be too expensive for me.

I will not be able to apply

It will be too big a budget on my
family.

Please do not raise the fees.

I want to become an American citizen.
