Subject: Docket : USCIS-2006-0044-0001

Hi. The fees for USCIS services associated with international adoption should not be increased. It is costly for us as adoptive parents to bring these beautiful children home to their forever families. As we all know the United States is the best place in the world to live and raise a family. I ask that you would please consider leaving the fees as is and allow more families to enjoy the wonders that international adoption brings. Thank you very much for your time.

Sincerely---Ann Kuebler
