Dear Director: I am a student in ESL  
working in Beardstown IL.  
I write to ask you to keep the fees for  
Immigration and Naturalization as they  
are now, or to lower them, not raise them.

I am unable to pay the high fees you  
are proposing. I pay enough taxes please  
don't ask for more we can't afford it.  
I want to become a citizen, but

- don't know
- I am not sure I can find the money  
to do it

Sincerely Juan César Sánchez
