Subject: [Docket No: USCIS-2006-0044];[Immigration: Benefit
application fee schedule adjustment

As a hopeful, future, adoptive parent, this fee schedule increase will impact my husband and I severely. We have already waited over 17 months for our adoption to go through from China, and now we have to re-do all of our paperwork, including this one. PLEASE PLEASE do not raise the cost of this; our adoption is what we are living for, and this creates another hardship for us.
