

Sir/madam,

You have been specially recommended for this Year 2007 special grant, After confirming your professional record and experience.

The UNESCO convention of 1995 held in Geneva unanimously agreed to give a quarterly science grant of seven million Euro (7 million Euro) to two (2) outstanding individuals from various countries, who can render selfless service to humanity.

The Carter foundations, who supervises this science grant, encourages

mostly African and Asia projects.

if you are interested in receiving a grant for a science project then get

back to us through this email:- sciencegrant2007@gmail.com if not, Then good luck with your own business.

Regards,
