Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: Benefit application fee schedule adjustment

Gentlepeople:

I urge you to reconsider the proposed increases of fees for both permanent and naturalization applications. They are very unfair for people who are coming to our shores, as almost all of our ancestors did, with very little money. They only want to better their lives, as immigrants have done so for the entire history of our nation.

USCIS should work with Congressional leaders to find alternative and permanent funding that supports their operations, instead of requiring poor people to accomplish this.

My prayers go with you.
