Subject: DHS Docket No. USCIS 2006-0044

I adamantly oppose a fee increase for residents wanting to become citizens. This would increase an already exorbitant amount that many would be unable to pay. When I became a citizen, the fee I paid was hard to come by, and I can't imagine it would be easier for immigrants, most working low-paying jobs and supporting families, to pay an already high amount. Please reconsider the fee hike and give immigrants a break. Let that extra money go to the economy.
