Dear Director:

I'm living in Beardstown IL I am one of many
English as a second language (ESL) students
I'm writing to ask you to keep the fees for
Immigrations and naturalization as they are
now or to lower them not raise them
I'm working hard to support my family
and studying to be able to get a better job
my pay is too low to pay the high
fees you are proposing please don't ask
for more.

Thank-you for considering our situation
Sincerely.

Jose Alberto Sanchez
