

I have been in the U.S.A for 6 years.
I want to be an American citizen, because,
I Love America. America is Land of
freedom. I have religious freedom in America.
I can have a better Life here for my
family, also I want to vote.

If the citizenship fees increase than,
It will be too expensive for me.

I will not be able to apply.

It will be too big a budget on my
family. Please do not raise it the
fees. I want to become an American
citizen, I Love America!

America is my dream.

Thank you!
