Subject: Fee increase

Dear sir/madam:

I am writing to express disagreement about the increase of fees to adjust status. In my opinion this increase will be one more barrier to citizenship

for many immigrants and it will also impact those seeking to obtain legal residency. The legal maze one must travel to reach the American Dream

is hard and expensive enough without increasing the fees for all the forms. I hope you listen to the many voices that speak in

opposition of this measures.

Respectfully,
