Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: Benefit application fee schedule adjustment

Dear ladies and gentlemen,

The practice has proved that raising application fee is not an effective way to reduce immigrants from other countries. I oppose raising the fees.

The most effective way is :

- 1) making the immigrant law, regulations, policy and rules more strict, especially on the non-immediate family relatives.
- 2) No more special pardon to illegal immigrants;
- 3) Deport illegal immigrants, simplify the law and procedure on the deportation.
