Subject: USCIS-2006-0044

I am writing in regards to the proposed USCIS fee increases referenced in Docket #USCIS-2006-0044. As an adoptive parent who recently filed forms that may be affected, I object to the proposed increases. I already had to pay MORE than 500 HUNDRED DOLLARS to receive my I-171H to bring my daughter home. It also took SEVEN WEEKS to receive this piece of paper. I've heard that some CIS offices are taking TWELVE WEEKS to provide this document. I believe that the current fees and wait times are excessive and I ask that you do not increase the fees any further. I ask that you streamline the system to make it more efficient which should ultimately result in decreased fees.
