

To Whom It May Concern,

I am writing concerning the proposed fee increases of the fingerprinting and I-600A. My husband and I are in the process of adopting from the People's Republic of China. As is the case with many other waiting families, we will most likely need to redo our fingerprints and I-600A application. The fee increases place an additional financial burden on an already costly process.

Please reconsider these fee increases.

Thank you.

Sincerely,

Tara Maratea
