Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: B

I would like to go on record as opposing the rate increase - families who are adopting do not have unlimited funds and as it stands many often have to redo this paperwork before the final leg of their adoption journey. In this instance, you are holding people who wish to create their family through international adoption hostage as they will be forced to pay these fees which are increasing by 66% which is way too high.

Thank you

Melanie R. Mars
