RE: U.S. Citizenship and Immigration Services Docket Number USCIS-2006- 0044

Dear Sir or Madam:

I strongly object to the proposed increase in fees for international adoption. An international adoption already costs ten of thousands of dollars, and to increase the fees charged by the Federal Government for the right to wade through the red tape are completely unnecessary. Of all the things the Federal government could tax, I estimate that giving homes to orphans should be at the bottom of the list!
