Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: Benefit application fee schedule adjustment

Dear Sir/Madam,

It is my understanding that you will soon make a decision on the following fee increases as stated in Docket #USCIS-2006- 0044 - U.S. Citizenship and Immigration Services:

*N-600 fee will go from \$255 to \$420

*I-600A Petition to Classify Orphan as an Immediate Relative fee will go from \$545 to \$670

*N-565 Application for Replacement of Certificate of Citizenship (used for name changes) will go from \$220 to \$380

*Biometric Services (fingerprints) will go from \$70 per person to \$80 per person

I ask that you consider the negative impact that this decision will undoubtedly have on the families who are seeking to provide loving homes for children. I might suggest that you look to alternate possibilities to cover costs as opposed to the passing of higher fees to adoptive families who are already committing to a life time of support (which includes their significant financial responsibility) for these children.

Thank you in advance for a decision not in favor of increasing these fees.

Sincerely,

Paul Black
