Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: Benefit application fee schedule adjustment

I am writing as a concerned citizen and adoptive parent concerning the proposed increase. I do not support an increase as I feel the fees are already substantial and many of us are being required to refile our applications due to long wait times. This puts an even larger financial burden on the middle class adoptive parent. I am very concerned that adoption is only being limited to the rich. Please consider this proposal carefully with the children in mind.

Sincerely,
