Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: Benefit application fee schedule adjustment

To Whom It May Concern:

I am quite concerned about the Proposed Rule by the USCIS to increase international adoption fees. As a parent in the international adoption process, it is already very expensive to adopt. For some, the fees seem insurmountable. Some people even shy away from adoption because of the already high costs. Please do not pass this proposed rule.

Thank you for your time.
