Subject: docket number (USCIS-2006-0044).

Docket number (USCIS-2006-0044).

Concerning United States Citizenship and Immigration Services

This email concerns the increase of fees for USCIS. The fees are already very high and are sometimes prohibitive for American families to provide good homes to children that need them.

Please consider the plight of the children and keep the fees at the current level or lower them.

Thank you for your thoughtful attention to this very important matter.

Major and Mrs. Gregory T. Reich
prospective adoptive parents and an active duty military family
