Subject: Fee Increase

Dear CIS:

I oppose to the fee increase for "adoption". It already costs a family \$20,000 to adopt a child. Adoption is a win, win, win situation. Let's make it not too difficult for the adoptive parents. I also like our government to extend the paperwork so that it will be good through the adoption process which is about 2 years now to save time and money for the adoptive parents.

Thank you.
