Subject: comments on USCIS-2006-0044-0001

Dear federal officers:

I am fully supporting the proposed rule (USCIS-2006-0044-0001) regarding Adjustment of the Immigration Benefit Application/ Petition and Biometric Fee Schedule proposed by US Citizenship and Immigration Services (USCIS). I hoped that USCIS can support themselves with those fees and process all the forms in the timely manner (within 6 months). Taxpayers should not pay USCIS.

In addition, I expected that all forms should be submitted on-line. Without increased fees, USCIS will be unable to upgrade their infrastructure. Sooner the fees are increased, the better their services.

Sincerely,

Dongyun Yang, a taxpayer and immigration benefit applicant
