To whom it may concern

RE : DHS Docket no. USCIS-2006-0044

I am writing in regards to the proposed fee increase for citizenship. I do not think the fee increase is good because it will be too much money. The current fee of \$330 is high, but since it is the law, I am willing to pay it.

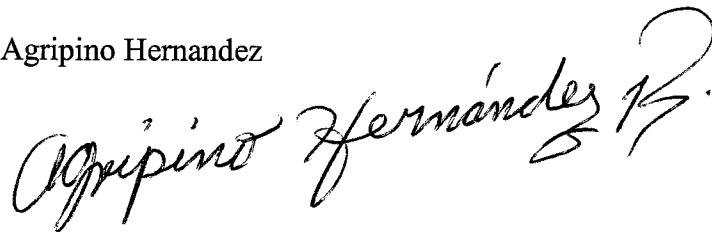

My main question is why is the increase to big – 80%?? That is a lot of money for hardworking, legal people.

My biggest concern is the service I will receive. How will this fee improve service: faster processing, less hold-time on the phone, or more accountability for your part of this process?

My current status is permanent resident. I am hoping to become a U.S. citizen this March.

A concerned resident,
