Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: Benefit application fee schedule adjustment

We are currently in the process of adopting a child from China. We have had to pay the fees for our daughter's petition one time already. With the increased wait times, we stand a strong chance of having to renew our paperwork at least one more time. The fee increase will substantially increase our adoption fees that are already upwards of \$25,000.00. These fees should not only remain the same but also should be amended for renewal purposes. These children are true orphans and deserve to be in loving homes. Fee increases will surely deter average income families from realizing their dream of having children.

Thanks for your consideration in this matter.

Sincerely,

HOPE and LANCE WALLACE
