Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: Benefit application fee schedule adjustment

I would like to comment that my wife and I have been considering adoption for a few months now. We have struggled with infertility and desire to have another child. As we continue looking into the adoption process it is very discouraging to us in how much it will cost. We are an average American family who manages our money very wisely. However, the costs may prohibit us from being able to fulfill our ultimate dream to expand our family.

I'm writing to ask you to please refrain from increasing the application fee schedule for immigrants.

Thank you for your consideration!

Sincerely,
Stacy Tedrick
