I disagree with the new fees, because I have had a bad experience with this service. I submitted my application in April of 2005 and I passed my test in February of 2006, a year ago, and I have not received my appointment to pledge for my citizenship yet, they said that my case is delay because they are checking my background and I found that unacceptable because I paid \$390 and that was very difficult for me and I havent had the opportunity to vote and exercise all my rights as a citizen of this country.

I think that this department should take in care, the following to identify a person :

- 1) First and last name
- 2) Full parents name
- 3) Social Security number
- 4) Full Date of birth
- 5) Country of birth
- 6) City of birth
- 7) Picture
- 8) Address
- 9) Driver license number
- 10) Issue date of the green card
- 11) Place of application

My receipt number is SSC\*000852472

Thank you,

Gustavo Ortega
