

I have been in the U.S.A. for 6 years.

I want to be an American citizen

because, I Love America.

America is Land of freedom.

I have religious freedom in America.

I can have a better life here for my family also I want to vote.

If the citizenship fees increase then.

It will be too expensive for me.

I will not be able to apply.

It will be too big a budget on my family.

Please do not raise the fees.

I want to become an American citizen.
