Dear US Citizenship and Immigration Services

My husband and I had our dossier log into the Peoples Republic of China on 12/12/05 to adopt our daughter. Because of the very long delays in processing dossiers in China, our documents expired and we had to complete a second I-600A Petition in which there was a rate increase. Adoption is a wonder way to build families and provide homes for the homeless. Please help families to continue to adopt by making sure the rates are controlled by the Federal Government.

Sincerely, First time Mom
