Dear Director, U.S. Citizenship and Immigration Service:

I oppose the proposed any immigration reform

Mr. George W. Bush  
President of the United States

Mr. President:

I have worked all my live and never depended on any government social service, during all my working years I was unemployed for only one week. I paid more than my share in taxes and contributed to charity to help my fellow Americans in need and many Mexican communities across the border. I use to live in Del Rio, Texas and because illegal crossing the Rio Grande by my property and being robed in my home, I detained 6 Illegal Immigrants that was on my property, I called the Border Patrol and after 15 minutes one Border Patrol agent show up and informed that I was violating the rights of the illegal immigrants and that I can be arrested for that, after I was treat to go jail for protecting my home, I move to San Antonio, I was not able to sell my property because it was close to the river and people was concern about the illegals crossing my property. to enter our country. The value of my property was 180,000.00 and I has to sell my property for 120,000.00, I lost \$60,000.00 on the sale, I closed my business and move to San Antonio. Moving to San Antonio cost me more than \$100,000.00. Now I have a home in San Antonio, my property taxes are high, do to illegal immigration. Mr. President, Why do I have to pay for the education and the economic welfare of illegal immigrants? It is easy to pass legislation that the cost will be bear by the ordinary people like myself , I'm retire and my reward for working hard for over forty years, is paying big taxes to support illegal immigrants. Most Americans as I do are against any Immigration reform, the will of the people is being ignored by you and the politicians that where elected to work for the economic welfare of the American people not the welfare of the Mexican people or the corrupt government of Mexico.

What ever happened to "I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter: So help me God." Mr. President we have many politicians hypocrites, Republicans and Democrats do not be another Republican hypocrite. Since 2005, I have emailed, and

faxed the White House, on numerous occasions, without an action to stop this invasion of illegal immigrants, what are we waiting for?
