To whom it may concern

RE: DHS Docket No. USCIS -2006-0044

I am writing in regards to the proposed increase for citizenship. I do not think the fee increase is good because it will be too much money. The current fee of \$330 is too high, but since it is the law, I am writing to pay it.

My main question is why is the increase so big 80% that is a lot of money for hardworking legal people.

My biggest concern is the service I will receive. How will this fee improve: faster processing, less hold-time on the phone or be more accountable for your part of the process?

My current status is permanent resident. I hope to become a U.S. citizen in the next year 2010.

A concerned resident,
