Dear Director:

I am student of Education for Adult Learners (FEAL) and English a Second Language (ESL) Program in Lincoln Land Community College (LLCC), located in Springfield, Illinois, this program is helping me improving my life in the United States. Furthermore, FEAL, ESL, offers Citizenship Preparation classes and workshops to assist us with learning about the U.S. government, history, and Constitution and the application and interview process to become U.S. citizenship.

Every immigrant expects to pay a fee for a benefit, but those fees must be fair. Several Senators and Congress and Legislator called to appropriate funds to curb the fee increase. I urge you as Director of USCIS Regulatory Management Division to make my concerns known. →

Your support is appreciated, tanks  
for your attention.

Sincerely,

Guillermina Pérez García
