Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: Benefit application fee schedule adjustment

If the fees continue to rise and as we now have to resubmit all of them again due to the delays, it will cause us not to adopt another child.

Please do your part by keeping the current prices and change the process that couples only have to pay them once during each adoption process.

Young girls and seeking abortions daily and yet there are 25 couples per baby who are wanting to adopt. The government is making it more difficult to adopt especially to those of us who have sought every avenue available.

We have had 3 of relatives have been adopted and my secretary has 4 adopted children. The process was easier for them and now it seems to have gotten increasingly worse. Help us and those who want to adopt, find a way to make the process easier and more affordable.

Sincerely,
Rev. David Chase
