I am writing to tell you what I feel about the proposed
Fee increases, especially.

The increase in the Application for Naturalization N-400 from
to 675.

This will affect my family a lot, I need my money to pay,
Bills, Buy Food, pay my house payment, Buy my childrens
School supplies.

My Family's income is about \$800 a month so you are
asking for a fee that is almost a whole month's income
which my family needs for living.

I need your help put the stop for the current fee
is too much money for the cost for the citizenship.

I have family, they need these monies.

Thank you

Araceli Gonzalez.
