

Dear Sir or Madam

3-28-07

I am completing an international adoption from the country of Guatemala. This letter is in reference to the proposed increase in fees USCIS-2006-0044.

I am an airline employee. I make a very modest salary. Please do not raise these fees as this would directly affect the quality of my life as well as the adopted child.

Thank you for your time and consideration

Ms J. Winter
