RE: DHS DOCKET #USCIS 2006-0044

Dear sir or Madam

I write to you to tell you that I am
worried with the increase for the
N-400 from \$400. to \$675.

There's a lot of people that can't pay
because they don't have enough money
for the family and if they pay
a lot for the citizenship application
because they want to vote because
they want their voice in the
government, then
with the increase in the money we
should pay food and bills and tuition
payment for my daughters school
so we have to decide between
having a voice in government or
food for our family

Keep the N-400 fee low.

Thank you

Maria L Chavez
