RE: DHS Docket # USCIS-2006-0044

Dear Sir or Madam:

Hi:

I am writing to tell you what I feel about the proposed fee increases, the Application for Naturalization N-400 from \$400 to \$675.

I think this is too much increase. Many people want to be citizens and to have the right to vote, but some people can pay, but most immigrants cannot pay, but most immigrants like if you can keep the same cost if it is possible, we pay taxes, use tax money to support this government office. More people have possibilities to become citizens and would have the right to vote if the fee stays low. Then we can help in the elections, and be a part of America and our community.

"Please don't increase the immigration fees"

Sincerity

Rosa Avalos

Thankyou
