Dear Director:

I'm a student in ESL
studying in Beardstown IL

I am writing to tell you to keep fees for
immigration and Naturalization as they are now
or ~~not~~ to lower them, Not raise them.

I work hard to support my family
My pay is too low. ~~I~~ Can't afford to pay
I'm unable to pay the high fees you are
proposing.

I pay enough taxes.

Please don't ask for more we can't afford it

I want to become a citizen, but
don't know

I'm not sure I can find the money to do it

Thank - you for Considering My situation

Sincerely, A. A. V.
