

I have been in the U.S.A.
for 5 years.

I want to be an American citizen
because, I Love America.

America is Land of freedom.

I have religious freedom in America.

I can have a better life here
for my family, also I want to
vote. If the citizenship fees
increase then, it will be too
expensive for me.

I will not be able to apply.
It will be too big a budget
on my family.

Please, do not raise the fees.

I want to become an
American citizen.
