Subject: [Docket No: USCIS-2006-0044];[FR Doc: E7-01631];[Page 4887-4915]; Immigration: Benefit application fee schedule adjustment

To Whom It May Concern:

We have been waiting for almost nine months to adopt a baby girl from China. It is likely that our paperwork will expire prior to our travel, thus requiring re-application and additional fees. We understand that fees need to be adequate to cover government expenses at a reasonable level. We hope that you will keep in mind that we are just ordinary citizens who wish to enlarge our family through adoption of a child who would not otherwise have the opportunity. We would appreciate the fees being kept as low as possible to enable us, and others like us, to achieve our dream, without undue financial burden.

Thank you,

Sincerely,

Linda & Eric Groat
