RE: DHS Docket # USCIS-2006-0044

Dear Sir or Madam:

I am writing this lines to express what I feel about the proposed fee increases in the Application for Naturalization N-400 from \$400 to \$675.

We can not pay because is to much. We already pay taxes, so use tax money to support this government office. (USCIS) DHS) and The People like me who want to become citizens. We are the low increment, and we have familys to support.

We need to Keep our money for bills and to buy food for our citizen children. We need your help to keep the fee low so we can work together to become better. Please don't increase the immigration fees for family based in imigration citizens and have by righth to vote.

Sincerely Ma-de los Angeles Castillo.
